Ex-attorney White arraigned Friday on 5 felony charges

By Rosemary K. Otzman

Independent Special Writer

Disbarred Belleville attorney Thomas A. White was arraigned at 34th District Court just after noon Friday, Sept. 6, on five felony charges for allegedly defrauding a local couple almost six years ago.

White could face 44 years in prison if convicted of all the charges.

Michigan State Police say the victims were the late Leeland Jordan and his wife Judith Ann Jordan of Belleville. Leeland Jordan died in 2008 at the age of 72 but was alive at the time of the alleged crimes.

Wayne County Assistant Prosecutor Daniel Williams authorized the warrants against White on the afternoon of Sept. 4 and White's criminal defense attorney Michael J. Vincent told police White would turn himself in to the court on Sept. 5. But he didn't.

On Friday, Sept. 6, after having a mug shot taken and having his fingerprints recorded, White did come into the court just after noon to be arraigned by Judge David Parrott.

Attorney Vincent said his client had approved a 14-day waiver, so the preliminary exam doesn't have to be held within that time period. Vincent said he also had filed a discovery order, but there was no prosecutor present to sign it. Judge Parrott allowed the discovery order anyway, saying it was a common practice.

This allows Vincent to ask the Michigan State Police for the evidence that will be used against his client.

Judge Parrott scheduled White's preliminary exam for 9 a.m. Wednesday, Sept. 18, at 34th District Court.

White was released following payment of \$2,000 cash -- 10% of the \$20,000 bond set by Judge Parrott, who also ordered White to give up his passport.

Young driver collides with school bus after running stop sign

A school bus taking students back to Belleville High School from the William D. Ford Career-Technical Center in Westland collided with a vehicle driven by a young female who reportedly ran a stop sign.

There were accusations that the young woman was texting on her cell phone at the time of the accident, but that could not be substantiated, said Van Buren Township Police Lt. Ken Floro.

The accident occurred about 2:10 p.m. Thursday, Sept. 5, at the corner of Hannan and Tyler roads.

Lt. Floro said the woman driver did receive a citation for being at fault in the accident.

Pam Johnson, executive assistant to Van

Buren Public Schools Supt. Michael Van Tassel, said minor injuries were reported and one person complained of being lightheaded and was taken to the hospital to be checked out.

Lt. Floro said the driver of the school bus stated that she suffered neck and back pain as a result of the accident and may have gone to the doctor or hospital on her own after she left the scene.

On Monday afternoon, Atchinson Ford presented 25 specially designed golf bags to the men's and women's golf teams at Belleville High School. Showing off the bags, from left, are Aariyana Roberson, Nicole Pearce, Daniela Perez, Meghan Hayden, Daniela Perez, Megan Jernigan, Haley Taylor, Victoria Perez, and Natalie George. In back, from left, are Craig Atchinson, Assistant Coach Holly Rhodes, and Head Coach Dave Martin.

Felony charges

(continued from page 1)

Judge Parrott started reading the charges aloud and Vincent spoke over him, asking the judge not to read the charges.

Judge Parrott ordered Vincent not to interrupt him. Judge Parrott said this was an arraignment on felony charges, not a preliminary exam. At a preliminary exam charges often are not read when the exam is waived and the case sent on to circuit court.

The five felony charges he read are:

Count 1- Uttering and Publishing. White is accused of altering a check from the Metropolitan Title Company dated Sept. 14, 2007 with intent to injure or defraud, knowing said instrument to be false. The check was drawn from LaSalle Bank in the amount of \$73,800 in the names of Leeland Jordan and Judith Jordan. Conviction carries up to 14 years in prison.

Count 2 - Larceny by Conversion, \$20,000 or more. White is accused of converting money to his own use that had been delivered to him and belonged to Judith Ann Jordan. Conviction carries up to 10 years in prison and/or \$15,000 fine or three times the value of the property stolen.

Count 3 - Embezzlement by Agent or Trustee \$20,000 or more but less than \$80,000. White is accused of embezzling or fraudulently converting property to his own use which belonged to Judith Jordan. Conviction carries up to 10 years in prison and/or \$15,000 fine or three times the amount embezzled, whichever is greater.

Just after noon on Friday, disbarred-attorney Thomas A. White, center, passed through the metal detector at 34th District Court to turn himself in for arraignment before a judge on five felony charges. At left is White's son Tyler, the only family member to accompany him to court. At right is Olga Wermalenka, the law clerk to Michael Vincent, White's defense attorney who is not pictured.

Count 4 - Identity Theft. White is accused of using personal identifying information of Judith Ann Jordan to commit embezzlement and/or larceny. Conviction carries up to 5 years in prison and/or \$25,000 fine.

Count 5 - Identity Theft. White is accused of concealing or misrepresenting his identity to use the personal identifying information of Leeland Jordan to commit embezzlement and/or larceny. Conviction carries up to 5 years in prison and/or \$25,000 fine.

MSP Det./Sgt. Marc Moore said more charges against White are expected.

The charges for which he was arraigned on Sept. 6 would have been dissolved by the statute of limitations on Sept. 14, Det./Sgt. Moore said.

When Judge Parrott got to the subject of bond to make sure White appears for his court sessions, Vincent said White is not a criminal, he is married, has children and walked into the courthouse. Vincent said he communicated with the MSP and they agreed a personal recognizance bond, without an exchange of funds, would be appropriate.

"He is not a flight risk," Vincent said of White, adding Sgt. Moore said earlier that morning said he would recommend PR bond.

Judge Parrott said he has not heard from the state police.

Judge Parrot said White has brought shame to the legal profession. He failed to appear for a show cause hearing in Judge Green's court and has been unwilling to cooperate.

He said White has an "unruly and cavalier attitude" which made him set a cash bond of \$20,000 or 10%.

"I know Mr. White has financial difficulties," Judge Parrott said, adding a high bond would be inappropriate.

"If Mr. White does not appear, I will go out and get him," said defense attorney Vincent.

"I have no doubt you would, but you couldn't if he disappears," Judge Parrott replied.

"All things considered, I think a cash bond is necessary," Judge Parrott continued, noting it had to be posted today and White could not leave the courthouse until it is posted or that would be considered an escape from custody.

The only words said in court by White was when he asked if he could use his credit card and Judge Parrott said he couldn't. His bond had to be paid in cash.

The only member of White's family with him at court was his youngest son Tyler, a student at Schoolcraft College, who hurried out of courthouse at about 12:30 p.m. and returned 15 minutes later with a handful of cash.

While White was dealing with the paperwork for his release, Vincent told the *Independent*, "We are at the first step

of a long process. We will be back here on the 18th for the preliminary exam. This is a hearing before a judge to establish probable cause with credible evidence that the defendant committed the crime."

Vincent conceded that on Sept. 18 he could ask for the preliminary exam to be adjourned to a later date so he would

have more time to study the evidence and prepare White's defense.

Vincent also introduced his law clerk, Olga Wermalenka, who accompanied him to court. He said she grew up under Communism in what is now Belarus and is in the last steps of earning her law degree in Michigan.

Newly hired paid-per-call fire fighters Gregory Kowalski, left, and Jimmy Keeton were introduced to the Van Buren Township Board of Trustees at its Sept. 3 meeting. The two have a total of 35 years of experience. Kowalski, who retired from the Canton Fire Department, is assigned to Station #2. Keeton, who has worked at the City of Belleville, City of Romulus, and Pittsfield Township fire departments, is assigned to Station #1.

Van Buren Township Board adopts new fire code ordinances

By Rosemary K. Oztzman
Independent Editor

At its regular meeting on Sept. 3, the Van Buren Township Board of Trustees approved the second reading of a new fire ordinance to replace the BOCA Code which is no longer in existence.

The New Fire Code of the 2012 edition of the National Fire Prevention Association, NFPA 1 Fire Protection Code, and the 2012 edition of the NFPA 101 (Life Safety Code) will take effect with today's publication in the *Independent*, the township's newspaper of record.

Fire Chief Dan Besson said the State of Michigan recognizes NFPA 1 as the fire prevention code for its fire marshal and inspectors.

In other business at the 20-minute meeting, the board:

- Was introduced to two new probationary fire fighters with 35 combined years of experience: Gregory Kowalski, who retired from the Canton Fire Department, and Jimmy Keeton, who has served on fire departments in the City of Belleville, Romulus, and Pittsfield Township;

- Heard Supervisor Linda Combs announce that the Downtown Development Authority Executive Director Susan Ireland has announced that Standard and Poors

have given VBT an A+/stable bond rating;

- Heard Supervisor Combs read a letter from James West of Northville who said his boat docked at Harbour Club had sunk on Sept. 1 and VBT Marine Officer Chris Hayes offered to help him raise the boat. He praised Hayes as a very helpful officer who was one of the most professional and pleasant officers he has ever known;

- Heard John Delaney complain about Deputy Supervisor Karin LaMothe during an Aug. 23 meeting where Delaney was asking the township to pay for dust control treatment of private roads. LaMothe finally called the police on Delaney. Combs read a report of that meeting that was different from Delaney's version; and

- Later, heard Delaney give the board a lesson on the job responsibilities of supervisor and deputy supervisor, telling board members to "take notes."

At the work/study meeting on Sept. 3, the board discussed a request for an Industrial Facilities Exemption Certificate for Die Services International and a tax abatement. The issue is expected to be placed on the Sept. 17 agenda of the township board.

Library Board sets five proposed sites for consideration

At 7 p.m., Wednesday, Oct. 2, the Belleville Area District Library Board will hold a public forum at Belleville High School's mini auditorium to consider five proposed sites for a new library:

A. The present library site, plus the municipal parking lot across Fourth Street, 164 and 144 Third Street and 360 and 330 Charles Street;

B. The present library site, plus the municipal parking lot across Fourth Street, and 369, 381, 397 and 397a Main Street;

C. The municipal parking lot and the Baptist Church at 227 and 189 High St.;

D. The DNR property on the lake plus the Spencer property next door at 11933 Belleville Road; and

E. For the Sumpter Township Branch site, 2,000 square feet in the Sumpter Community Center.

After giving its power point presentation with details on the sites and listening to public input on Oct. 2, the library board will consider the input at its next meeting on Oct. 8 and probably select a site. They need to develop a concept to present to the public because they are working toward an August or November 2014 millage election for funds to build a library.

Details on the sites will be available at the library for review by the public by Sept. 27. (The library board is waiting for a response from the city on the prices for city sites considered.) Be sure to make your thoughts known on Oct. 2.

EXTRA THINGS I KNOW

...By Rosemary K. Otzman

My classmate in the BHS Class of 1954 Lois Mida Zilka is on a tear about the fee we all are charged on our telephone bills to pay for all the free cell phones being given out.

She said she wouldn't mind if the phones were given to seniors so they can call 911, but they are given out and even promoted to be given to everyone, including reported drug dealers (who can use them and throw them away) and those who have several in their possession.

She called AT&T and the man on the line (Joey Bushey) said he would check about who pays for the "free" phones. Lois said Joey was shocked to learn that on line 6 of our "Surcharge and Other Fees" part of our telephone bills, the charge for "Federal Universal Service Fee" is used for the free phones.

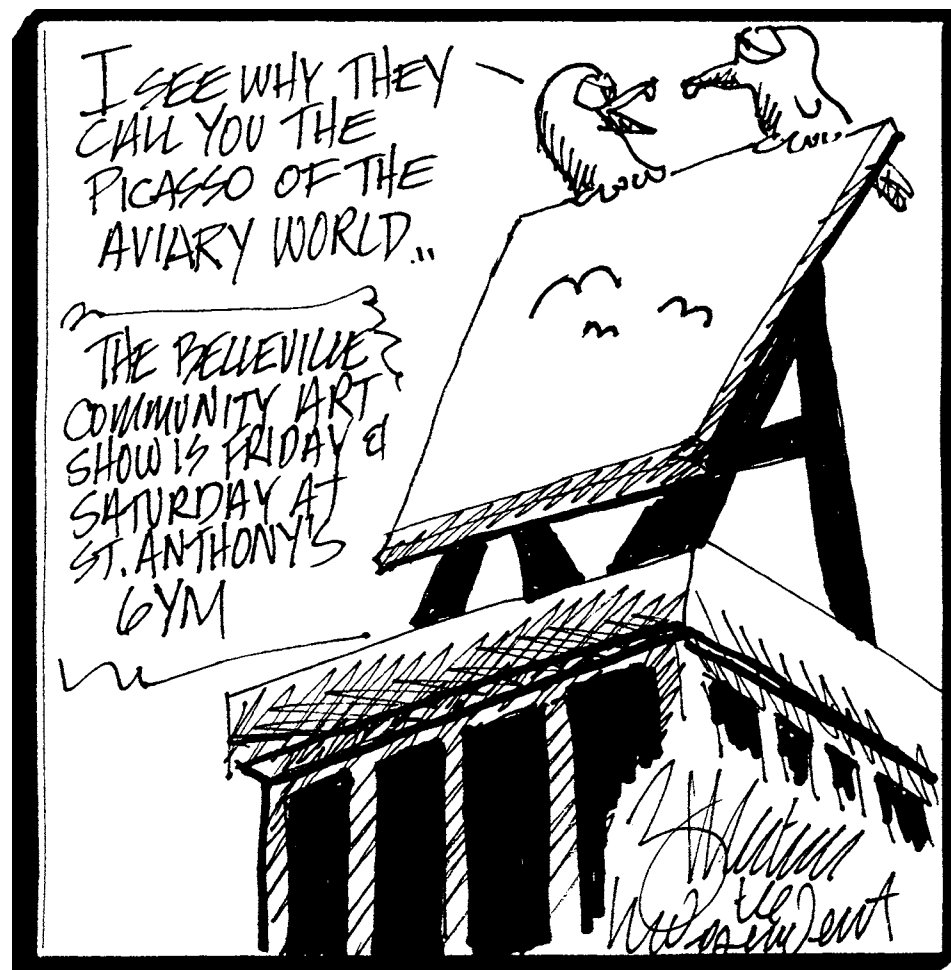

On her bill it comes to \$2.15 a month. On my bill it is \$2.55 a month.

She invites those interested to Google: "Who pay for government free cell phones?" There's a place for comments, she said.

Lois, who lives in Canton, also is opposed to the new Smart meters and has placed a sign on her meter stating she does not want such a new device.

The town was jumping over the week end with all the garage and yard sales. On Sunday evening some of the sales were still going strong. John Juriga said the yard sale to benefit the Belleville Area Museum raised more than \$4,000.

Michelle Okopski, who grew up in Belleville, has recently been promoted to Marketing Manager for Applebee's in

Van Buren Township. She was selected for the position because she is very passionate about giving back to the Belleville-area community.

Michelle said that on Sunday, Sept. 22, Applebee's on Belleville Road will start its revitalization and will have a grand re-opening on Friday, Sept. 27, at 11 a.m. The restaurant is transitioning from a corporate-run team to a member of the TEAM Schostak franchise.

It plans to have an auction to sell all of its old décor and artifacts and to donate all of the proceeds to Guiding Harbor (formerly known as Girlstown). It also plans to hold a Dine to Donate event to earn funds for the food pantry at Belleville Church of God.

Sounds like Applebee's will be a more enthusiastic part of this community from now on. Thanks, Michelle & Co.

I understand the woman who punched Sumpter Township Police Sgt. Chris McGlynn in the upper cheek and eye last May – Christina Zanetta Holmes -- is scheduled to be sentenced today before Circuit Court Judge David A. Groner in Detroit.

She didn't show up for 34th District Court when she was scheduled in May and so she also was charged with failure to appear, as well as with assaulting a police officer and two other assault and battery charges. She pled guilty to everything, according to court files, so she probably received a plea deal.

Hopefully, I'll have the rest of the story next week.

I hear Van Buren Township Police Lt. Dennis Brooks is on medical leave. His brother told me they don't know what's wrong with him. Best wishes for a speedy recovery. The VBT police department is low on officers, so this vacancy on the force is sure to lead to more overtime than planned.

The Lake Crest Estates residents met last week to form a neighborhood group to tend to local concerns. That's in the area of Harmony Lane.

They voted to send a message to the VBT DDA not to tear down the fence along Belleville Road that Henry Ford erected. The DDA has been focusing on removing the fence for some time, but has to work with Wayne County, so the project has been delayed.

The group also voted to appoint VBT Trustee Jeff Jahr as its representative to the township, since Jeff is their neighbor and agreed to the appointment.

As I recall, the Lake Crest homeowners' association lapsed some time ago, so it's nice a group has been formed to watch out for the neighborhood's best interests.

James R. Law, Sr.

JAMES R. LAW, SR.

(January 18, 1941 – September 1, 2013)

James R. Law, Sr. passed away September 1, 2013 at home with family and the sound of his youngest grandbaby laughing. He would have loved the send-off and hearing that baby laugh as he left this world for the next.

James was born January 18, 1941 in Belleville, MI to Adelbert and Pearl Law, the youngest of 4 children. He is survived by his wife, Martha L., his children, James R. Law, Jr., Allison and Ken Speaks, and Heather and Michael Moore. Grandchildren James and Charlene Law, Patrick Law, Jennifer and William Kidney, Staci Speaks, Christopher Moore, and Ken Speaks, Jr. Great-grandchildren Tyler, Drew, Alissa, Mary, Maverick, and Andrew. His stepchildren TJ Mraz, Rebecca and David Weeks, and Amy and Kevin Johnson. His step-grandchildren (who he always considered his) Breanna, Donovan, Rhenier, Jack, and Benjamin.

Jim served in the U.S. Army for 3 years and retired from GM after 36 years of service. Jim was a member of AA and had maintained his sobriety for 37 years. He often said that his one true purpose in life was to help other alcoholics find their sobriety and that he wouldn't have been able to do it without going through the process himself.

Jim learned to ride a motorcycle when he was 56 years old and eventually rode through the entire 48 states during one season. He loved woodworking and photography. His passion was his yard and flower gardens. Jim had a great sense of humor and found joy everywhere he looked. He loved and he was loved. Please share a memory of Jim at www.cremationmichigan.com.

Eileen M. Renton

EILEEN M. RENTON

(March 3, 1927 – September 5, 2013)

Eileen M. Renton, 86, passed to her heavenly home on Thursday, September 5, 2013 at her home in Gulliver, MI, surrounded by her loving family.

She was born March 3, 1927 in Dearborn, MI the daughter of Clarence and Hazel Bohl. On November 30, 1946 the former Eileen M. Bohl married Edwin J. Renton in Belleville, MI. They made their home in Belleville, where they lived and worked on the family farm, moving to Gulliver in 1969.

Eileen was a devoted wife and mother who enjoyed her family and friends. She was a devout Christian and member of the First United Methodist Church of Manistique, MI where she was very active in the United Church Women. She organized, supervised, and worked in the kitchen preparing meals for large crowds on special occasions. In addition, she baked pasties, supervised the Methodist Youth Fellowship, taught Bible School, and assisted with the work of the church in numerous other ways. She was also active in the community, where she served as a Cub Scout Leader, taught 4-H classes, supervised the Rainbow Girls, and volunteered to assist with the many school activities.

She enjoyed life, and especially liked square dancing, playing cards and Scrabble. She also enjoyed traveling, camping, watching and feeding the wild birds, and spending time with her family, friends and pets. She genuinely lived her faith and was a valued friend and confidante

to many in her community as well as to her extended family. Her faith in God enabled her to meet unexpected challenges with grace and a spirit of adventure.

Eileen was a willing volunteer and a good listener who forgave easily and could offer wise advice when needed. She was a steadfast caregiver with a generous spirit who gave freely of herself whenever there was a need. She provided a strong example of a faith-filled life and will be missed by all who knew her.

Eileen is survived by her husband of nearly 67 years, Edwin J. Renton; her children, Sherry (Larry) Eddy, Bob (Pat) Renton and Joanne (Wayne) Bjorkman; her grandchildren, Kristi (John) Duff, Max (Sarah) Bjorkman, Travis (Lisa) Bjorkman, Bryan (Mindy) Renton, and Jessie (Kit) Lien; her grandchildren by marriage, Tammy (Brent) Fales, Jackie (Victor) Guthrie, and Stuart (Katie) Eddy; and her 18 great grandchildren.

She was preceded in death by her parents; her sister, Maxine; and her great grandson, Zephaniah Bjorkman.

Visitation was held 10 a.m. – noon on Monday, September 9, 2013 at the First United Methodist Church in Manistique. Funeral services followed at noon, at the church with Reverend Don E. Bedwell officiating. There was a private committal service after the funeral, followed by a luncheon in the Fellowship Hall of the church.

Memorial donations may be directed to the First United Methodist Church of Manistique.

The Messier-Broullire Funeral Home of Manistique is assisting the family with the arrangements. Online condolences may be expressed at www.mbfuneral.com.

While all phones are equipped with 9-1-1 emergency calling, this phone may or may not permit its location to be approximated during a 9-1-1 call. Availability depends on upgrades to the wireless network and 9-1-1 calling system that are required to be installed by the local 9-1-1 response agency or public safety answering point (PSAP), and these upgrades may not be available everywhere within our coverage area. Do not rely solely on a phone for essential communications (such as a medical or other emergency). Limited time offer, subject to change. Taxes and fees additional; other fees may apply. Domestic only. **Coverage:** Coverage not available everywhere. **Nights and Weekends:** Weekends are midnight Friday to midnight Sunday, and nights are 9:00 p.m. to 6:59 a.m. Monday-Friday, based upon start time of call. Time of call usually based on location of equipment transmitting call; if location is not available, time of call based on time zone associated with your phone number. **Network Management:** Data traffic of postpaid plans with limited high-speed data allotments of 2 GB will be prioritized over other currently offered plans during periods of congestion. Service may be slowed, suspended, terminated or restricted for misuse, abnormal use, interference with our network or ability to provide quality service to other users, or significant roaming. See brochures and **Terms and Conditions (including arbitration provision)** at www.T-Mobile.com for additional information regarding T-Mobile service and products, including important limitations on availability and reliability of 9-1-1 emergency service when using Wi-Fi Calling. © 2013 T-Mobile USA, Inc.

 Animals Rescue
"BUNNY"

Give **Bunny** a chance and she'll hop right into your heart! She's a pretty tabby that started out very shy but has since gained her confidence and claimed her space in the office area. Her favorite spot is on the main countertop sleeping or just overseeing things and she's not above giving you a "How dare you!" look if have to move her. **Bunny** is tender and sweet-hearted and loves gentle pets and ear scratches from those she trusts. A quieter, no kids environment would suit her personality best. On a side note, if you've always wanted a special someone to share your favorite cheese snacks with than **Bunny's** your cat since she goes absolutely gaga for the stuff gobbling it up as fast as you can give it to her. Her pretty green eyes complement her black and brown striped coat with both giving her an earthy look you'll enjoy seeing in your home. So hop to it and call today to meet **Bunny!** She's spayed, vaccinated, tested neg. for FeLuk/FIV and micro-chipped.
