Drowning man in Belleville Lake saved by women in boat

By Rosemary K. Otzman
 Independent Editor

A man jumped off a dock and was floating face-down in Belleville Lake in front of Building 30 of The Waverly on the Lake (formerly Harbour Club Apartments) just after 3 p.m. on Wednesday, May 12.

Mandee Oropeza said she was sitting outside on her apartment's patio and heard a woman call out for help. She couldn't see anything around the bushes, but when she got up and looked, she saw this man in the lake.

She said a female on the dock was calling, "Help, help. Please help. Call 911." So, Oropeza said she called 911. The woman was calling out, "My boyfriend. My boyfriend. He's dying. He's drowning."

The woman then saw a fishing boat out on the lake holding Diana and Melissa Tyler-Patterson and she started calling out to them.

Diana said they were fishing across the cove and heard her calling, but thought she was calling her dog. They saw some splashes in the water. They pulled up the anchor and turned to shore, calling out, asking if it was her dog and she said, "No, it's my boyfriend."

Diana, 48, said she had already taken off her shoes and she made a shallow dive into the lake. "I've never dove a day in my life," she said, amazed at herself.

Her wife Melissa said she looked down and Diana was gone.

Diana swam to him, and turned him over, so he was face-up. She said he had been floating face down with his hands above his head. She turned him over and saw his eyes were open and fixed, his face white, his lips purple, and he was not moving.

She said, although she is not a strong swimmer, she grabbed onto him and swam to the boat which was very labor intensive. When she got close, Melissa threw out a rope and Diana let go of the man to grab

the rope, but he started to sink, so she dropped the rope and grabbed him again. She said she put her shoulder under his chest and rammed him upward, putting his shoulder on the boat. She and Melissa held him upright and were calling the name his girlfriend had been calling. They tried to get him in the boat, but he was too heavy.

She said water suddenly came gushing out of his lips and he started breathing. They were both elated that he was alive.

She said later that she was traumatized at the time because she thought it might be a dead body.

Then Van Buren Township Police Officers Ryan McCormick, Andrew Fedel, and Katrina Velevska arrived. Oropeza said she was amazed at how Officer McCormick came running down the steep stairs to the beach, pulling off and discarding his heavy equipment as he ran and then jumped in the water. He swam the 25 yards over to the boat and helped the struggling women raise the man into the boat.

They got the man to the shore and although he was lethargic, he was able to be helped up the steep steps to get to the Huron Valley Ambulance. He was taken to the hospital to be checked out, according to the police report.

VBT Police Chief Jason Wright said Officers McCormick and Fedel also serve on the Public Safety Department's Dive Team.

Twice within a three-week period this spring, the Van Buren Township Fire Department has rescued baby ducks who have been caught in the same storm drain. Fire Chief Dave McNally said he believes the ducks are in the process of crossing Tyler Road between Meijer and Speedway when they fall into the drain. After both rescues, fire fighters turned the ducks over to the mother and father Mallard and they all were gone in a few minutes. No one saw where they went, he said. Present for this rescue were Sgt. Ryan Smith, Fire Fighter Dan Walter, off-duty Fire Fighter Allison Greff (holding the duckling), Animal Control Officer Bob Queener with a pole/net and the female citizen who called in the latest rescue.

for trial on charges of killing his mother Julie and wounding his father Victor on Feb. 26 on Judd Road in the Village of New Boston in Huron Township.

A preliminary exam in 34th District Court was held May 12 before Chief Judge Brian A. Oakley in the new courthouse in

Romulus.

Wayne County Assistant Prosecutor William Lawrence called three witnesses. The first was the defendant's father Victor William Karvelis II who testified in detail on what happened that day.

VBT DDA to spend \$1.37 million for 'Black Box' meeting space

By Rosemary K. Otzman
Independent Editor

The Van Buren Township Downtown Development Authority agreed to spend up to \$1.137 million for a "Black Box" meeting room to be constructed as part of the new community center being planned adjoining township hall.

At the April 27 zoom meeting, DDA Executive Director Susan Ireland presented what the township had requested. She said the survey taken said the public wanted a new community center with a running and walking track as part of the gymnasium, a fitness/workout/weight and exercise room, a large gymnasium with locker room space for men and women, and meetings rooms.

"While there was a desire by the public for a community pool, that option is not feasible in the foreseeable future due to the cost to build and maintain," Ireland said in a memo to the DDA board. She said it would cost the same as the entire project and wasn't going to work.

She said the other item mentioned by the public was the desire for a theater/auditorium with potential uses for concerts, plays, musicals, speeches, theater, puppet shows, magic shows, lectures, recitals, state of the township addresses, award ceremonies, professional conference meetings, and more.

Ireland said the township is requesting that the DDA Board consider partnering, as it did with the splash-pad. The cost of the auditorium/theater was in the range of \$1.1 to 1.2 million.

Matt Best, director of public services, said while the plans for the community center include the gym, offices, elevated indoor track, an outdoor plaza, and tons of storage space, it doesn't have a place for community cultural events to take place.

Director Best said they first thought of a fixed-seat auditorium, but auditorium space is a thing of the past. He said what is needed is a multipurpose space, a "Black Box," which has lighting, curtains, chairs for art shows and other things and could be high-tech.

He said he is not asking for the Cadillac of Black Boxes, but a space for cultural events, reworking the space between where the gym is with an atrium space leading into it.

It would be 2,500 square feet, not the fanciest, he said, and they could call it "The Cube." It would have a construction cost of \$875,000, with soft costs of \$262,000, for a conceptual budget of \$1,137,000.

Best said other organizations will clamor to use the space. He said the state actors guild is looking for other places to house their performances. The local arts council could take advantage of it and end-of-year celebrations and awards for the soccer

leagues could use it.

He said the cultural and educational side rounds out the community center.

Township Supervisor Kevin McNamara said they put out the idea of the community center to the residents and they came up with ideas not thought of. He said the township could charge a nominal fee or no fee to use the area. He said bands are huge in this town.

Ireland said the money wouldn't be expended until 2022.

Best said they are moving into the design phase and the construction and expenditure wouldn't be incurred until 2022.

Best said the township has had an in-house dance studio for 16 years and they are looking for a place for recitals. Ireland said the Tai Kwon Do and Karate kids could have competitions.

Best said there would be seating for 100 to 400, depending on the design. He said most are under 200 seats. "I would prefer to have it at 200-250," Best said.

"Who would have control of the design?" asked DDA member Victor Delibra. "Do we have control or do you want the money and that's it?"

Best said they would be happy to have the DDA a part of the design, unless the DDA wanted to have something expensive. He said the community center is not just the VBT government, but the DDA, school district, everyone has the opportunity to get their two cents in.

Ireland said she would like to participate in the design of it and Best said, "It was always a part of the plan to have the DDA director and deputy director" involved.

Ireland explained how the funding would be handled and Supervisor McNamara said before he asked for the money he had Ireland go through their funds because he doesn't want to destabilize the DDA.

She said after the \$1.3 million expense for this the DDA would go down to a \$3 million fund balance.

"I believe you can afford this, if you want to," McNamara said.

"We're good on the numbers," said DDA member Laginess, adding he had other questions for Best. He said the high school, middle school, and other schools have stages and auditoriums. "What's different about this one? Is it necessary for the community?"

Best said they are creating a central location, "that place that signals Van Buren Township is a premier community ... that provides X, Y, and Z - and we don't have Z." He said residents could come in for one thing in The Cube and then come back for another event in The Cube.

"To create a sense of community," replied Laginess, noting that was the reason for creating Harris Park, to promote the DDA

region in the community.

When asked about the fee for use of this area, McNamara replied, "The dream is not to charge a fee. Yes, we would want to charge a nominal fee."

Belleville Bass

In other business at the April 27 meeting, the DDA heard a presentation from Belleville Councilman Ken Voigt who was representing the Belleville Area Council for the Arts.

He explained BACA's Belleville Lake Bass Project which has ten, four-foot-tall, fiberglass fish that are custom designed that will be placed around the community. He asked for permission to place five in VBT.

He said there is no cost involved and it is up to "you folks" to decide where to put them, should they decide to participate. He said the idea came out of the Lake Fest discussions. He said this is similar to other communities who have had pigs, cows, swans and other animals painted and displayed.

He said BACA is in the process of recruiting artists to paint the bass. If they don't find enough local people, they

probably will reach out to art students. He said once the bass are painted they will be sprayed with automotive clear coat with UV inhibitors to make them last and they could be repainted in the future. He said they are more or less permanent, but could be moved around.

When Delibera asked if there would just be artwork on the fish, Voigt said they are artwork, but whimsical, with no advertising or business names. He said there will be QR codes on the fish and geocaching.

DDA chairman Craig Atchinson said this is a township decision.

"Our attorney said we couldn't buy one," McNamara said. "If it went in your area when I'm tired of them, they can find a new place. Maybe in Belleville."

"If you decide in the future you don't want them, that's fine," Voigt said.

Deputy Executive Director Lisa Lothringer asked Voigt if he wanted a list of possible locations and Voigt said he would like suggestions. Lothringer said she had some places already in mind. Chairman Atchinson said they could put one in front of his business.

VBT planners require removal of Mobil pylon sign for project

By Rosemary K. Otzman
Independent Editor

On May 12, the Van Buren Township Planning Commission gave preliminary site plan approval to demolish buildings on the old Mobil gas station site and construct a new convenience store with retail and food service, including a drive-through lane and drive-through window, gas pumps, and related site improvements.

But, one of the stipulations for that approval is removal of the pylon sign at the site, the northwest corner of the I-94 North Service Drive and Haggerty Road.

The request for the approval was by NC Designers on behalf of owner Real Estate LLC/Belleville Oil Company, Inc. The property is about 1.06 acre at 11250 Haggerty Rd.

Dan Power, director of planning and economic development, said the project got special land use from the township in July 2020 and now they have a new and revised site plan.

Vidya Krishnan, planning consultant from McKenna, discussed the plan and said they will have an underground detention system and the nonconforming sign must go.

Nasser Choucair, representative of the applicant, said the owner finally decided to do new construction, improve the site, and bring it to code.

"We are awaiting an answer from Wayne County and are willing to follow the ordinance on signs," he said.

Commissioner Jeff Jahr asked if there was any concern on the number of stacking spaces for the drive through and Krishnan said they do comply with the required amount in the ordinance.

Commissioner Bryon Kelley said he likes the concept of the metal roof and he agreed on the signs.

Commission chairperson Carol Thompson asked if they are requiring the pylon sign removal.

"We are willing to comply with the ordinances," Choucair said. "I'm not sure about the pylon sign. I will bring it to him and tell him it's a request."

"It is not an option," said Krishnan. "Once the planning commission rules, it's required. If not, the site plan is denied."

The commission unanimously passed a motion to grant preliminary site plan approval, subject to conditions.

The commission also unanimously approved the final site plan for Jiffy Lube on a Meijer outlot along Tyler Road. The preliminary site plan was approved by the commission in November and special land use was approved by the township board on Dec. 1.

City sends request to redistricting commission

On Monday, the Belleville City Council approved a resolution to be sent to the Independent Citizens Redistricting Commission formed by the State of Michigan asking it to place the communities of Belleville, Van Buren, and Sumpter within the same representative district.

In the November 2020 election, the people of the state voted for the anti-gerrymandering provision that requires formation of the commission to research and make decisions on creating districts, including those for the Michigan House and Senate. The commissioners will meet June 3 to consider this area.

The city's resolution was to accompany resolutions from the VBT Board of Trustees and the Sumpter Township Board of Trustees requesting that the three communities be placed within the same district. As of Monday, neither VBT nor Sumpter had placed it on their agendas for a vote.

The three communities share a museum, library district, veterans' memorial, school district. And, the city serves all communities as a downtown district.

Presently Belleville and VBT share a state representative and VBT also has a second representative on its northeast corner. Sumpter has a representative that is based in Monroe. This is the perfect time to request the unity this area once had. We applaud the resolution.

EXTRA THINGS I KNOW

...By Rosemary K. Otzman

A story on social media about an attempted abduction of a child is fake news, according to Van Buren Township Police. A woman bystander was putting her groceries into her vehicle at Meijer's on Belleville Road on Sunday when she saw a confrontation between two men with a child standing by. She recorded the fight and put it on social media. She also said she gave a statement to police. VBT Lt. Charles Bazy said the two guys were fighting over a road-rage incident. The man in the black shirt was to be arraigned on assault and battery and receiving and concealing stolen merchandise (from another Meijer store).

On social media, Ryan Taylor, new owner of Frosty Boy, announced his renovated ice cream shop would open on Monday, May 24. Hopefully, this is not fake news.

The Van Buren Township Local Development Finance Authority didn't hold its regular meeting last week, but its marketing subcommittee met. The subcommittee meeting was to discuss ways to get people to come to Grace Lake Corporate Center so people will get to know more about how great it is. Increased development there will bring more tax money to the LDFA to pay its bond payments. Committee members talked some about the upcoming 20-year anniversary of 9/11. As you may recall, John Delaney put together an event in 2018 at Grace Lake (the former Visteon Village) to mark 9/11.

This year he'd like to honor first responders, police and fire, "needle pushers," nurses, hospital and HVA staff,

and others. Also, students from Schoolcraft College and Wayne County Community College could be involved. Committee members wondered if the public would be interested in such an event and asked if people would attend.

Delaney, who serves as second vice chair of the LDFA, invited those with ideas for such an event, or those who would like to express their interest, to call the new LDFA number and leave a message: (734) 331-8993. He said he knows it's a long way off, but the subcommittee would like to plant seeds now and gauge the interest. If they decide to get special T-shirts made, for example, they would need to estimate how many to make, etc.

On Friday, Gov. Whitmer announced that as of 9 a.m., Saturday, May 15, we no longer had to wear face masks indoors or outdoors, if we are vaccinated. The CDC announced the same thing on May 13. If the store or business you are entering requires masks, you still have to wear them, she said. The broad indoor mask mandate would have expired July 1.

Even though those at the 34th District Court in Romulus have moved into their new courthouse, they still are trying to handle everything they can via their website because of COVID. Court officers at the front door will accept payments and give information, if necessary.

On Sunday, a group from the VFW replaced flags on veterans' graves in Hillside Cemetery. This is the second time the VFW has done the service for the city. For many years a call for volunteers had gone out from the Belleville City Clerk's office to work on the flags and people of all ages showed up on a Saturday at the cemetery to lovingly do the work. Marie Krouse, the head of the group of about five VFW representatives that do the flags, said they offered to do the Hillside work during the COVID pandemic and the city provided flags.

Krouse and helpers have lovingly cared for the Van Buren Township cemeteries for years. She said they had eight cemeteries to do this year and so they did Hillside on a Sunday, where they could fit it into their schedule.

Louise Fincher of Bladez hair salon told me about being interviewed on Channel 2 a couple weeks ago for a story about her looking for a replacement bus for taking food and clothing to the homeless in the Cass Corridor. She put in a plug for the *Independent*, which publishes "wanted" items in its classified pages for people to donate to the homeless by way of Louise's labor of love.

Support our BHS Girls Varsity Soccer team

To the editor:

Our BHS Girls Varsity Soccer team showed up to play this season. Current record is a 10-1-1, with only 1 tough loss, 54 goals scored, and 2 games left, these ladies have created a bond that can never be broken.

Coached by Bill Cline and his staff, our Lady Tigers have worked extremely hard this season. The spring season was pushed back a few weeks, due to the winter sports season, which only gave teams about a week of practice before their spring breaks and the season openers.

With not having a Spring 2020 season, due to Covid, Cline was not sure what talent or skill level he would end up with this season. He knew some of the players coming in and what players they had chosen right before shutting down last year, but didn't know their full potential.

Coming into the season, he was thrilled to see the talent, the teamwork, and the leadership of each player. Currently rostered on BHS Lady Tigers: Varsity-Goalie -- Gabby Revels; Defenders -- Jessica Ley, Laura Montgomery (Captain), Emily Wisniewski, Vanessa Slone, Megan Mihaly, Alivia Johnston, Olivia McCluskey; Midfielders -- Alli Osborne (Captain), Olivia Newman (Captain), Alaya Mack, Riley Batchelder, Emily Michelin, Rachel Riley; Forwards -- Elly Mann, Amy Empson, Breanna McCluskey, Molly Cote, Chelsea Powell.

These girls have worked hard, come together, and all have the same goal: TO WIN AS A TEAM! They have something about them, they have the chemistry to be better, and they all have a great work ethic.

The last game is this Thursday, May 20, at 5:30 p.m. on our home field. This evening is also Senior Night, as we celebrate seven wonderful seniors. Come cheer on our Lady Tigers for their last home game before they go try to win a district trophy for our community! Let's show them how it is done! Leave it out on the field!

Angie McCluskey

Memorial Day is coming, get your flag up

To All Belleville Residents:

Belleville VFW Post 4434 wants to send a reminder!

Memorial Day, an American holiday observed on the last Monday of May (May 31), honors men and women who died while serving in the U.S. military. Here's your chance to demonstrate pride in our country and remember our fallen veterans. Once again, we encourage all residents of Belleville to display a flag at every home.

Let's set the example. Display your U.S. flag early and show the rest of Belleville, Van Buren Township, Wayne County, Michigan, and the entire country how proud we are to once again honor our fallen heroes. Let's never forget those who gave "their" lives protecting "ours."

Thanks to a very generous donation of supplies from manager John Vredevelde of Manns Lumber and a big labor help from manager Tom Tinsley of Contract Welding, VFW Post 4434 has many FREE refurbished flags (12"x18") available. Stop by at 48 S. Biggs, Belleville, MI, and pick up one.

Also, we can have your old flags properly disposed; drop them off when you pick up a new one.

Our refurbished flags had previously been flown over a Veteran's grave. Whether a General, Sergeant, or a Private, now you can "Honor" that fallen Veteran by once again displaying his/her flag at your home.

Don't let Memorial Day go by without acknowledging our fallen Veterans.

Pete Pitzen
Jr. Vice Commander
VFW Flag Program Chairman

Community supports Teacher Appreciation

To the editor:

Last week was Teacher Appreciation Week and our community showed up and showed out in support of Belleville High School teachers! Thank you, thank you, thank you from the bottom of our hearts for all of your donations. Teachers definitely felt the love. We were able to provide every teacher at the high school with a donation from at least one of the following businesses:

A&W, The Bake Shoppe, Better Health, Bladez Salon, Denny's Salon, Imagine, Fantastic Sam's, Firestone, Hungry Howie's, Little Caesar's, The Lube Stop, Meemic Insurance, Mr. Bubbles, Mr. Muffler, Qdoba, Starbuck's, Tim Horton's

In a season where things have been anything but normal, we are extremely grateful to our local businesses and their generosity.

With deepest gratitude,

Belleville Area Women's Club votes to disband

To the editor:

The Belleville Area Women's Club (formerly known as Belleville Business and Professional Women's Club) voted on May 3, 2021 to dissolve after 73 years in the community. The club started with 29 members in 1947 and ended with 18.

The club has been a proud member of the Belleville/Sumpter/Van Buren area community. Members participated in over 30 years of Strawberry Festival Parades and had a booth when the festival was beginning, have trimmed trees at the museum, shivered in countless Christmas Parades, sold popcorn at the Harvest Fest, collected food for the food banks, purchased food and clothes for families in the community, participated in Make-A-Difference Day with various projects, and supported other groups such as Girlstown, the Ronald McDonald House, and Vista Maria.

They hosted over 39 fashion shows which raised funds each year for scholarships for BHS students, as well as the Georgia Badgett Scholarship which supported local women who needed to pursue education in order to return to the workforce.

One of the programs we are most proud of was the Reality Check that they did with the eighth-grade students each year which impacted hundreds of students. It was like the Game of Life in action.

We thank the community for all their support during those years.

We are sad to see the club no longer exists but are proud to have been a part of the Belleville/Sumpter/Van Buren community for 73 years.

Sophia P. Zoller

41-year member and Past President
Belleville Area Women's Club

Editor's Note: The writer sent this explanation with the letter: "We are sorry to see our club disband but with very little interest and participation and no local meeting location, we found it necessary."

Obituaries

Kim Michael Marion

KIM MICHAEL MARION

(March 18, 1954 – May 10, 2021)

Kim Michael Marion, 67, of Belleville died May 10, 2021 at home.

He was born March 18, 1954 in Detroit to Arthur and Dorothy Marion, who both predeceased him.

He is survived by his wife Kerrie Ann Marion; four sons, Jared Marion, Justin Marion, Neil Marion, and Ryan Marion; a daughter Heather Forstrom; six grandchildren, Antonio, Sean, McKayla, Faith, Seth, and Gage; one brother Don Marion; and one sister Terri Cassel.

He was preceded in death by his brother Barry Marion.

He grew up in the Livonia area and worked for Westinghouse for 20 years, Great Lakes Service and Sales for 10 years, and Birclar Electric in Romulus for 14 years.

Kim loved to be at home and spend time with his family. He was very handy and somewhat of a craftsman hobbist, always working on projects around the house. He enjoyed good food, funny movies, and loved playing online poker.

Cremation rites have been accorded. Private memorial services will be held at 10:30 a.m., Friday, May 21, at Belleville Presbyterian Church. Online services will be available for those who can't attend. Donations to Arbor Hospice of Ann Arbor would be appreciated.

18 of 22 provisional marijuana licenses transfer to 510 Savage

By Rosemary K. Otzman
Independent Editor

At a special budget meeting of the Belleville City Council on May 12, council members discussed the proposed 2021-22 budget via zoom. A public hearing was to be set to consider and approve the budget at 7:30 p.m., June 7.

During discussion on ways to get more money in the budget, Mayor Pro Tem Jesse Marcotte asked about revenue from the marijuana industry.

"So far, it's fizzled out in the pan," said DPW Director Rick Rutherford. "I don't anticipate much, if any, revenue from them this budget cycle."

Marcotte asked if applicants weren't supposed to pay \$5,000 per license.

Rutherford said, "What I'm seeing on the ground is that they're spinning. No building going on."

Clerk Verna Chapman said there is \$5,000 application fee for provisional licenses and then \$5,000 annual renewal fees once they are licensed by the state.

Clerk Chapman said the ones holding the licenses have not done the things necessary to be licensed by the state.

She said they start with a \$100 application fee and if licensed by the state they would pay the remainder of \$4,900.

"Any changes to the ordinance have to be by referendum since that's how it was instituted," said Councilman Ken Voigt.

"The application fee is not big deal," Rutherford said.

City Manager/Police Chief Dave Robinson said the original applicants had purchase and lease agreements negotiated,

but those fell through and 18 of the 22 licenses asked to be transferred to 510 Savage Rd. and, "We allowed the transfer."

He said the applicants are preparing security and business plans and their attention now is to develop that site.

"The ordinance prevents us from issuing more licenses than we have," Chief Robinson said. Robinson said every time he gets information, he takes it to the attorney and he's following some current court cases, where there are suits by this organization.

"We can see what happens and then see if we can amend the ordinance," Robinson said.

He said in 2022, potentially the provisional license holders will be getting licenses from the state and then the city

would get the \$4,900 for each license. He said that new area actually is in the DDA district.

Councilman Voigt said he has made calls, but he hasn't been able to find out how much the city would get from the state for excise tax.

"No marijuana revenue in this fiscal year," Voigt said.

The proposed \$2.7 million break-even budget contains a 32-hour-per-week ordinance officer with no benefits, a new deputy administrator position, a city manager/police chief position with time split 50/50, fire wage increases based on recent negotiations, and American Rescue Plan Stimulus of \$384,600 put into the capital purchase fund to wait for final rules on how it can be used.

Grupo Antolin donates robotic arm to school district for teaching

By Rosemary K. Otzman
Independent Editor

At the May 10 meeting of the Van Buren Public Schools Board of Education, Curriculum Director Jeff Moore announced that the business Grupo Antolin, located in Shelby Township, donated a robotic arm to the district.

He said the district will be getting another robotic arm for the software and plans to get training this summer so teachers can learn how to teach this.

Director Moore said the students will be able to go right to a job after graduation with this kind of knowledge.

Also at the May 10 in-person meeting, the school board:

- Approved hiring the following teachers for the 2021-22 school year: Paige Fordice for McBride Middle School math; Aminah Ali, Elizabeth Snoes-Clinton, Whitney Aumiller, and Sabrina Carlin for elementary positions in yet-to-be-determined schools; Blake Miller for Belleville High School physics; Audrey Bonham and Jessica Hernandez-Lopez for BHS Spanish; and Samantha Cherwalk for BHS English;

- Approved the resignation of Laura Harper after one week as custodial floater; and the retirements of LaDonna Fogg as a non-instructional staff member at Edgemont Elementary after 23 years as of June 17 and Michael Signorelli in district maintenance for

23 years as of July 12;

- Approved the employment of Rachel Murdock as a paraprofessional as of April 27; and

- Heard Supt. Kudlak say the high school went on a two-week pause April 22 because of the number of COVID cases, but the case numbers are on a downward trend. He said there currently were five positive cases and 14 quarantines. He said they found a couple of cases came from school contacts. There was one at Owen and those at BHS that caused the school to close.

COVID-19 deaths in 48111 up to 70, positive tests at 3,363

The number of people who have died from COVID-19 in the 48111 zip code grew to 70 as of Monday, May 17, according to the Wayne County Health Department.

The positive tests for COVID-19 in 48111 totaled 3,363 on Monday, May 17, up from 3,319 the previous Monday, May 10.

On Monday, May 17, the separate totals released by the Wayne County Health Department for the tri-community were: Van Buren Township, 2,239 positive cases, 39 deaths; city of Belleville, 482 positive cases, 21 deaths; and Sumpter Township 642 positive cases, 10 deaths.

See his ad in today's paper and call (231) 655-1072.

Michigan Outlawz, a youth football and cheer organization serving Western Wayne and Eastern Washtenaw Counties, will be holding a team-building fundraiser on Friday, May 28, from 6:30 to 9 p.m. at the Tailgate Garage at 43335 Michigan Ave. in Canton. Activities include Fowling, bubble soccer, cornhole, and a high-rope course. There will also be axe throwing, video games, and virtual reality sims. Food and an open bar will be available for purchase. Tickets are \$20 per participant. Everyone is welcome. To learn more about the football and cheer programs, visit www.michiganoutlawz.com.

Frosty Boy's new owner Ryan Taylor will be reopening the ever-popular Main Street ice cream shop next Monday, May 24. Sporting a new remodel and paint job, the layout now features a closed-from-traffic side section for outdoor eating, new tables and chairs, and some additional menu items to go with the everyday favorites that have been served there for generations, as the original menu will remain the same. In the addition to soft serve, they've added Ashby's hard ice cream with flavors such as Superman, Moosetracks, Black Cherry and more. Follow them on Facebook for up-to-the-minute news.

More air show breaking news: The Canadian Snowbirds are coming for a special evening air show on June 12-13 at Willow Run Airport. The drive-in-only event will take place from 5 to 7 p.m. each day. Tickets are \$85 per vehicle and patrons will be confined to their parking spots for the show. Food, coolers, and non-alcoholic beverages will be permitted and restrooms available. Each show will be limited to 500 vehicles and gates will be open at 4 p.m. Also performing is the Canadian CF-18 Demo

Team. Tickets are available online only at www.yankeearmuseum.org. Follow them on Facebook, too. The drive-in air show will be a logistical tune up for the Thunder Over Michigan drive-in air show coming Aug. 7-8 featuring the USAF Thunderbirds. Those tickets are also available online.

Kick Off to Summer, a family event featuring carnival rides and \$8 wristbands all weekend long, is coming to the Wayne County Fairgrounds June 4-6. There is free admission and parking and food trucks will be selling corn dogs, hot dogs, fresh-cut fries, lemonade, pizza, popcorn, and much more. The event is weather permitting and CDC guidelines will be in place. Visit www.waynecountyfairgrounds.net and call (734) 697-7002.

ORPHAN OF THE WEEK DEBOE

"Hiya friends, my name is **Deboe!** I'm a 2 year old Pitbull mix. I was actually adopted from FMAR as a 9 month old puppy but my people moved and couldn't bring me and I was returned to the shelter. I've been a little anxious since coming back into the kennels, but I do great when I'm out and about! My favorite thing to do is go on walks. I get a little excited and pull a lot so wearing a harness works best for me. When I'm not out on a walk or in the yard, I like to hang out on the couch. I like all sorts of people, even kids! I might need some reminders to not jump on the little ones. I lived with an older male dog and we got along great! I'd be willing to meet a dog closer to my age and size to see if we can be friends! If you're interested in meeting me you can go to friendsofmichigan.org/adoption-application to fill out an application. I'm more than ready to meet you! I'm neutered, micro-chipped, up to date on vaccines and heartworm negative. See you soon.

11. CITY MANAGER COMMENTS
Robinson thanked the City Council for selecting him for the job, citing that Belleville is a great City and stating that he is blessed, grateful, and ready to serve.

12. CITY COUNCIL MEMBER COMMENTS

• Council Member Bates congratulated the Chief on his new position and is excited about the upcoming fun things to do in the City.

• Council Member Voigt echoed Member Bates on congratulating City Manager Robinson and expressed this thanks to the Rotary Club for stepping-up and volunteering their time to clean-up efforts. He also welcomed Mike Renaud back to the City Council meetings.

• Mayor Pro Tem Marcotte agreed with his fellow council members comments and wished his wife a Happy Mother's Day and extended the same greeting to all the mothers.

• Council Member Fielder expressed that he felt the council was behind in the budget process and suggested that the schedule be amended. Council Member Voigt agreed. City Manager Robinson set a meeting with Plante Moran and offered that the budget is pending negotiated salaries of the City Manager/Chief of Police and the Deputy Administrator.

13. MAYOR'S COMMENTS

• Thanked the Rotary Club and noted that the BYC has a scheduled clean-up date. She thanked the County and Al Haidous for addressing the issues with the bridge.

• Mayor Conley announced that Carol Thompson submitted her resignation effective the end of May and that Alicia McGovern is developing a transition plan. She congratulated Chief Robinson on his new position and lastly wished everyone a Happy Mother's Day.

14. CITIZENS COMMENTS

• Mike Renaud expressed that he would like to see a commission developed to address the streets at Harbor Point and complimented Council Member Voigt on working with the County to address the bridge.

• Alicia McGovern thanked the City Council for approving the 4th Street closing for the DDA's event, congratulated the Chief, and wished all the mothers Happy Mother's Day.

(continued from page 1)

Under cross examination from his son's defense attorney Blaise Kearney, William testified he was a Belleville Reserve Police Officer who served 12 hours or more

a month. He said he has taught tactical methods for firearms for 30 years to law enforcement and the military police.

He testified he taught his son weapon skills, martial arts, and hand-to-hand combat. He said his son had accused him of pedophilia and sex trafficking many times

and talked about it again that morning. Kalin also had been threatening his parents on Facebook for a couple of years, William testified.

He testified Kalin had a mental health issue and had been in counseling when he was in high school because of his alternate activities.

William said his son lived next door with William's mother, Kalin's grandmother, after he moved out voluntarily when he wouldn't follow the rules of his parents' house.

He testified about how Kalin came over to talk at 2:30 a.m., Feb. 26, and knocked on the door and William told him to come back in the morning. He came back around 7 a.m. and knocked on the door, but when William looked at his surveillance camera he didn't see him, so he went out and saw him going around the corner of the house. He called to him and they went inside to the living room, he testified.

While they were sitting, Kalin pulled a weapon out of his belt and pointed it at his father, William testified. William said he lunged for the gun and grabbed hold of it, but Kalin pointed it at his mother, who had come to help subdue her son in the struggle, and he pulled the trigger while looking at her. She was shot and died.

Then Kalin pulled the trigger again and hit his father in the shoulder. The tussle continued during which Kalin kicked the gun out of his father's hand and William heard the ammo dispense as it hit the floor. William was able to get out the door, yell out for someone to call 911, and get his neighbor's trash receptacle between him and his son. His son slashed him above his left clavicle, William testified.

Woodhaven Police Officer Alan Jackson, who lives across the street, was sleeping and his wife heard the call for help and woke her husband. He testified he told her to call 911, got his personal gun out of his safe, and went outside, where he was able to get Kalin to drop the knife he was carrying and get to his knees. Huron Township Police came in three to five minutes, he said.

Officer Anthony Grant of Huron Township testified he was the third officer to arrive and he was directed to the secondary scene across the street, where he found a deceased female. Michigan State Police processed the scene, he said.

Judge Oakley bound Kalin over to circuit court for an arraignment on the information on May 19 at the Frank Murphy Hall of Justice. He is charged with homicide, assault with intent to murder, and two felony firearm charges. He is being held in the Wayne County Jail.

The defendant waived an exam on a second case, fleeing police in a vehicle and reckless driving in Huron Township on June 6, 2020 and the arraignment on the information on this case is also on May 19 at circuit court.
