Raymond Bailey set for Sept. 16 probable cause conference for 4 deaths

By Rosemary K. Otzman
Independent Editor

34th District Court Judge Tina Brooks Green adjourned until Sept. 16 a probable cause conference for Raymond Lee Bailey, 37 of Wyandotte to face charges for four murders in Sumpter Township on Aug. 15.

Bailey came to his first probable cause conference via Zoom on Sept. 2 from the Wayne County Jail. Judge Green let him meet in a Zoom breakout room to talk to his appointed defense attorney Sharon Clark Woodside.

Woodside told Judge Green that Bailey said his family has retained counsel. Later, Bailey told Judge Green his family said his new attorney was coming to see him at the jail at 10 a.m. Saturday, Sept. 5.

Prosecutor Tara Math Hindelang told Judge Green that no one has filed an appearance as attorney of record, so Judge Green said they will keep Woodside on until someone else files as attorney.

Bailey told Judge Green he would call his family as soon as he could get to a phone and tell them to have the attorney file his appearance.

"I'll try to have that done, sooner rather than later," Bailey said.

Prosecutor Hindelang said she sent out all the paper discovery to Woodside and started sending the video, but Woodside was having trouble getting it. She said there is an inordinate amount of video evidence.

Woodside said it was sent and kept coming and after seven hours, she stopped.

Judge Green said she would keep the case on her docket and will probably end up adjourning it again after they have a better idea of who the attorney is. She said that attorney will probably need time to review the discovery.

When he was arraigned by Zoom on Aug. 19 Bailey was in a hospital with a brace on

The Huron River Drive bridge over the Huron River in Van Buren Township, between Haggerty Road North and Haggerty Road South, is scheduled to close at 3 p.m. Sept. 14 for concrete bridge deck repair and rehabilitation. The work is scheduled to be complete in the summer of 2021. The township has been advised that when the resurfacing of the road proper begins, Huron River Drive will then be open to traffic on one side. The bridge, owned by Wayne County, was built in 1960 and reconstructed in 1977. It was given a 2-Critical rating under state and federal standards, which means "Advanced deterioration of the deck, superstructure or substructure and may be necessary to close bridge until action is taken." Belleville Road has been designated a detour during the project. Also, in 48111, the Sumpter Road bridge over North Branch of Swan Creek, just south of Willis Road, is also rated as in poor condition, and remains open.

VBT, DNR, Wayne County cracking down on reckless boaters

By Alysha Albrecht
 Communications Specialist
 Van Buren Township

It's official to say summer is coming to a close, now that Labor Day is past us. However, the Van Buren Township Marine Division, DNR and Wayne County will continue to patrol Belleville Lake due to an increase in complaints about vessels not following boater safety laws.

"The most common reason for people to be pulled over is failure to operate in a counterclockwise position around the lake or operating too close to shore," said Sgt. Jeff Stanton of Van Buren Township police. All watercrafts should be 100 feet from shore and 150 feet from any vessel.

"Please be sure to keep a 150-foot distance from other boats and people," Sgt. Stanton said. "This ensures everyone's safety and makes for a better boating experience."

Jet skis are allowed to operate on Belleville lake from 8 a.m. to sunset. Boats can operate at night with proper lighting, but can only tow between sunrise and sunset.

Sumpter recount finds Morgan tops as Dem. Supervisor candidate

By Rosemary K. Otzman
Independent Editor

A recount of nine precincts in the Aug. 4 election for Democratic nominee for supervisor in Sumpter Township found incumbent John Morgan still well ahead and still winner of that contest.

Morgan, who gained 11 votes over Nelson Po in the recount, will be on the general election ballot as the Democratic candidate for supervisor. Tim Bowman is the Republican candidate for supervisor.

Po left the recount on Friday afternoon, after shaking Morgan's hand in congratulations for his win. Morgan was gracious, Po said, pointing out it was Po's first try for office.

On Tuesday, Po said he was considering a write-in campaign.

Morgan was 349 votes ahead of Po's 327 in the unofficial results; 346 ahead of Po's 327 in the official results; and 357 ahead in the recounted results.

The Wayne County Board of Canvassers, Wayne County Director of Elections Greg Mahar and about ten staff members spent four and a half hours in the Sumpter Township community center gymnasium working on the recount.

Sumpter had provided masks, gloves, sneeze shields and placed chairs for onlookers six feet apart. There were three recounting tables with three chairs in front of it for challengers. There were two challengers at each table.

There also was a table for county staff and a table for the Board of Canvassers meeting, both with sneeze guards.

The recount was scheduled to start at 8:30 a.m., but was delayed until 9:11 a.m. when two missing members of the Board of Canvassers finally arrived.

After recounting Precincts 1, 3, and 5, all six Absentee Ballot precincts were counted.

At 1:09 p.m., the Board of Canvassers voted unanimously to approve the recounted figures as the final figures in that election.

On Wednesday, Sept. 2, Po's petition for a recount of nine precincts of Sumpter

his neck and told 34th District Court Chief Judge Brian Oakley that he had a broken neck that he caused himself in the Huron Township police pickup.

In the Sept. 2 Zoom court appearance from the jail, he wore no neck brace and moved easily.

Judge Green adjourned the probable cause conference for two weeks so, hopefully, they will have the retained attorney's appearance filed by then.

Bailey is in jail without bond for four counts of first degree – premeditated murder and four counts of weapons – felony firearm. If he is found guilty of just one count of first-degree murder he could be sentenced to life in prison.

In Saturday's edition, *The Detroit News* printed some details of the four victims' autopsies, noting 23 bullet wounds were found. *The News* said Forrest Sampson, 28, was found dead of a single bullet wound on the couch on Laura Tanner's home on Martinsville Road in Sumpter Township. Down the hall, police found his brother Neil Sampson, 30, shot 11 times, including three times at close range. The autopsy reported other significant injuries.

Police found Bailey's former fiancé, Laura Tanner, 35, in the kitchen with seven gunshot wounds. Laura's sister, Sarah Grupa, 38, was found on the back porch with four gunshot wounds, one at short-range, and also bruising of the left temple.

Donavan Jerimiao Wilson

Donavan Jerimiao Wilson, 22, of Ypsilanti, was bound over to circuit court for an Aug. 31 arraignment on the information after a live preliminary exam before 34th District Court Judge Tina Brooks Green on Aug. 17.

Wilson is charged with receiving and concealing a stolen vehicle, unlawful driving away of auto, and domestic violence on June 5 in Van Buren Township.

The first witness, who said she had an on-and-off relationship with the defendant for six years, testified she had title to the vehicle that he took after he hit her during an argument in her Parkwood home. Under cross-examination she testified that the title was in her name, but he put money into the purchase and was going to be driving it. They had the car a month. The car was a black Chevy Malibu.

Testimony showed Wilson had no driver's license at the time and the car had no insurance.

VBT Police Officer Kurtis Mowbray said he responded to a domestic in progress call and had contact with the victim who had a laceration by her ear and another laceration near that. He said at 10 p.m. that day dispatch advised him that Washtenaw County Sheriff's department had contact

with Wilson because the temporary plate in the window was reported stolen. Officer Mowbray said he met up with the sheriff's deputies who had detained Wilson and he arrested Wilson.

Wayne County Assistant Prosecutor Lori Mireles Smith made the motion to bind over on all charges. Defense attorney Timothy Wrather, from the Neighborhood Defense Service, objected to binding over on the stolen car charges since immediately after the incident the car was signed over to him.

Judge Green observed he was driving illegally at the time.

"I believe it's problematic," Judge Green said, noting the victim had testified the intent had been for him to be a driver.

Prosecutor Smith said she believed it's a question for a trier of fact as to "who do you believe, him or her?"

"It's really not a good case," said Judge Green. "... This case has problems and that's what downtown is for." She bound the case over to circuit court.

The defendant is free on \$2,000 personal bond.

Omar Morano Smith

Omar Morano Smith, 39, of Westland had his probable cause conference adjourned by Judge Green from Aug. 19 to Aug. 26 to face a charge of fleeing police in a vehicle on May 11 in Van Buren Township.

He failed to show up for a court session and so a warrant was put out for his arrest and he was picked up in an adjoining state.

The date of his next court appearance was emailed to Wayne County Jail Division 3, where he is being held, to make them aware that he needs to be there via Zoom. For some reason he was not available from

the jail, but his attorney Valerie Albright from Neighborhood Defender Service said there was a possibility of him going into the Hawk Program in Washtenaw County. She asked for the probable cause conference to get adjourned one additional week until Sept. 2 because she has hopes to dismiss this case because it is the same incident he pled to in Plymouth. Judge Oakley adjourned the case.

In a Zoom probable cause conference on Sept. 2, Judge Green set his in-person preliminary exam for 9 a.m., Sept. 14. He is free on \$2,000 personal bond.

William Oliver Wood

William Oliver Wood, 35, of Romulus had his probable cause conference adjourned one more time to Sept. 9, "in the late morning" by Judge Green for discovery.

Wood is charged with controlled substance possession – narcotics or cocaine less than 25 grams on Oct. 6, 2019 in Van Buren Township.

Attorney Jennifer Mead, filling in for the court-appointed attorney of record C. Clifford Chadwick, said Wood had been in a car accident and since then has had difficulty with his phone, explaining his absence from his Zoom court session.

Judge Green opened his file and found he owes money to the court and so she advised his attorney to have him work out a payment plan.

Daniel Preston Hopkins

Daniel Preston Hopkins, 36, of Westland, had his probable cause conference on Aug. 26 adjourned to Sept. 9 by Judge Green because the defense attorney William Glenn did not have all the discovery. Hopkins is charged with one count of

assault with intent to commit murder, one count of assault with intent to commit great bodily harm less than murder, and one count of felonious assault on July 31 in Van Buren Township.

Bond had been set at \$10,000/10% and he was not to be released without tether.

Kennyon Roshawn Jackson

Kennyon Roshawn Jackson, 28, of Van Buren Township, was charged with assault with intent to do great bodily harm less than murder and domestic violence on April 23, 2019 in Van Buren Township.

At the probable cause conference on Aug. 26, Wayne County Assistant Prosecutor Larry King said he would get the discovery as soon as possible to defense attorney Elizabeth Young of the Neighborhood Defense Service.

"Sometimes Van Buren is very quick. Sometimes not so quick," King said. "It depends on how bogged down their IT guy is."

A live preliminary exam was set for Sept. 8 with the defense attorney live in the courtroom and Jackson by Zoom from the Michigan Department of Corrections because this case was a violation of his parole.

Attorney Young said her client has never been arraigned, so Judge Green arraigned him. She said the offense date was April 23, 2019 and the entry of the warrant was May 23, 2019.

Michael Lee Crane

Michael Lee Crane, 43, of Sumpter Township, had his probable cause conference adjourned for discovery to Sept. 9 by Judge Green during his Aug. 26 court session. His presence was waived by

Election recount in Sumpter vindicates poll workers

Wayne County's painstaking recount of the Democrat part of the supervisor's election in three precincts and six absentee ballot boards showed the count was done well by local poll workers.

After all was said and done, incumbent John Morgan, who won that race handily on Aug. 4, won it again after the recount and gained 11 votes while he was at it.

Nelson Po shook Supervisor Morgan's hand and congratulated him on his win. Then, Po, who had petitioned and paid for the recount, said he was considering an end to his candidacy. But, by Tuesday he was thinking about a write-in candidacy.

The COVID-19 safeguards put in place by the Sumpter clerk's office did not impede the official recount and things went on as if we always had recounts of elections with sneeze guards and masks and hand sanitizers, with people sitting six-feet apart to watch the process.

The trained poll workers were vindicated for their work, which they had said was to make each count of votes the most precise ever. That they did.

The intrusion of Trustee Tim Rush into the process is yet to be addressed, following complaints to the state Bureau of Elections about the candidate handling the election tape and being in the polls after the election when others were locked out. That part is not over, but the votes have been re-tallied and they are pretty-much perfect.

EXTRA THINGS I KNOW

...By Rosemary K. Otzman

At Sunday's Bugles Across America ceremony at Belleville's Veterans Memorial, VFW members were discussing how the new gate across their driveway on Bemis Road seems to be working very well.

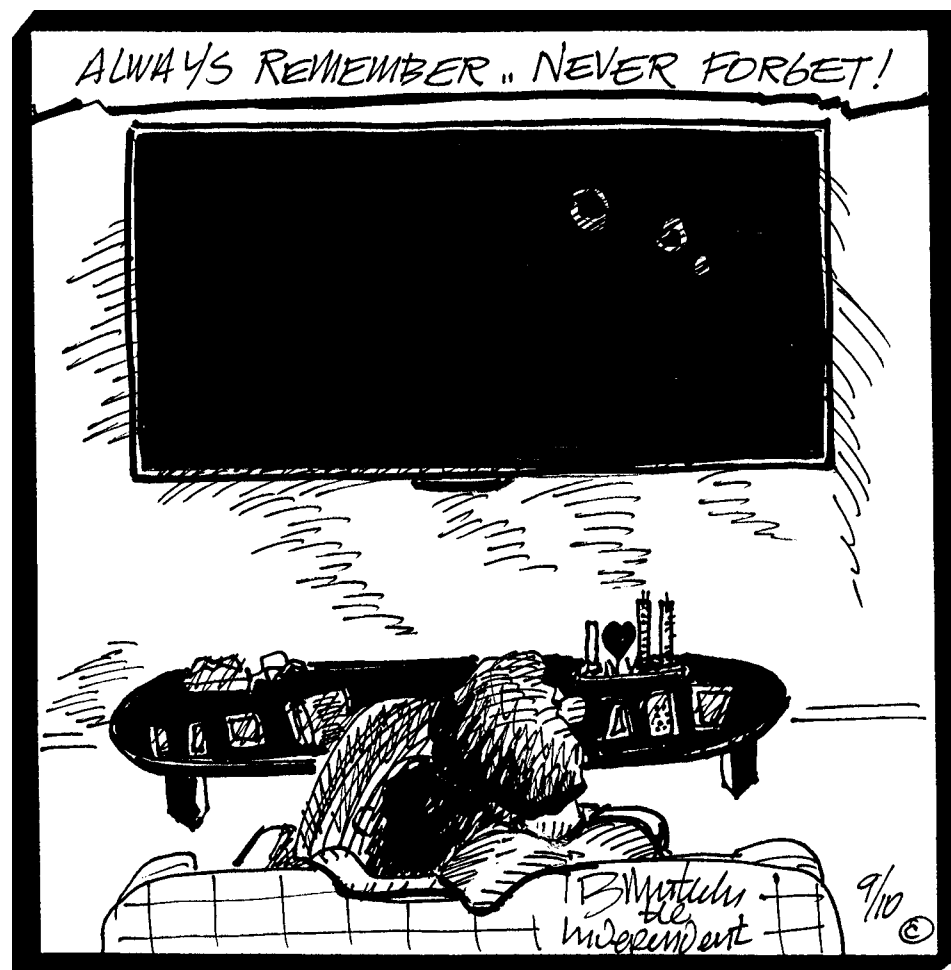

We asked them about it and they explained. Over the years the VFW has dealt with young people coming at night, using their electricity to play loud music, party there, and then leaving used condoms in the yard for the war veterans to clean up. Recently, a woman parked on the dry grass they had been trying to nurse back to life over a dry period and she became irate when they asked her to park on the gravel. She told them they had no right to question her. He explained she was on private property. Later she attacked the VFW on Facebook for their actions.

But it was the latest incident caused the VFW to put up the gate. The VFW found someone had "taken a dump" on their grass and then wiped themselves with McDonald's napkins and left them on top. That's when the gate went up.

The VFW Post is located out in the countryside where intrusions shouldn't be a problem – especially for those who fought for our country to keep us free.

VFW member Pete Pitzen reported that the VFW Post 4434 agreed to become his sponsor in Pitzen's ongoing flag project. He said now he will be able to accept donations as a non-profit. Pitzen always gave any donations to the post anyway.

Pitzen, who is called the Flag Man, restores flags that have flown over veterans' graves in Hillside Cemetery and gives them away free in front of his home on South Biggs Street in Belleville. Sometimes grateful

people insist on giving him money and he passes this on to the VFW. Businesses also give him items to help with his project.

VFW Commander John Blackstone said there will be a dinner on Oct. 7 to celebrate Post 4434's 75th year in serving veterans. He said there will be limited seating because of the COVID-19 executive orders.

Activation of Sumpter Township's emergency siren system Tuesday morning was not due to an intentional activation. In a Nixel alert, the township explained, "We've now pinpointed the issue to lightning strikes in the area affecting our recently installed secondary activation method. We will be working with the manufacturer to identify and implement a solution to this issue. In the meantime, the secondary activation method has been deactivated. We apologize for the activation."

Tuesday morning we also got a Nixel alert from the City of Belleville on the flooding in the area of the construction next to the bridge.

"City of Belleville: Road Flooding: Due to the heavy rainfall and recent construction in the area of Main St./N. Liberty St./Belleville Rd. The roadway area is experiencing heavy ponding of water. Use caution in the area and streets may be temporarily closed to allow for drainage."

At Friday's recount of votes in Sumpter Township, Monica Palmer, chairwoman

of the Wayne County Board of County Canvassers, said she likes being a part of the process that shows voters that their votes are important.

The protocol for the careful recount by well-trained counters is very exact. There is a special series of steps to check the seals, open the ballot containers, check the registration numbers, and check a series of items before the votes are even recounted. It was an interesting – and comforting -- procedure to watch.

At Tuesday afternoon's Zoom meeting of the Van Buren Township LDFA (Local Development Finance Authority), member John Delaney said after the problem of fishing in Grace Lake was discussed at the last meeting in March and signs were put up, no one is fishing there any more.

He said the fishermen left trash along the lake and now that the fishermen are gone, the area is much cleaner.

Do you remember when that "lake" was a gravel pit before Visteon Village was constructed? I remember how people used to throw unused items like stoves over the edge from the Tyler Road Cemetery.

Now it is a beautiful lake and the business complex surrounded by lush greenery is called Grace Lake Corporate Center. What a difference.

We just learned Harvey could jump the fence

Sept. 8, 2020

To the Running Woman and her two dogs:

I am hoping that you, or someone you know, will see this letter of apology.

My husband and I are very sorry that our dog, Harvey, got out of our yard and ran up to you and your dogs while you were out for a run.

I cannot imagine how terrifying it must have been to have a strange, large dog running at top speed towards you and your dogs. I did not realize that you and your dogs were running past our side lot when I let Harvey outside.

He is not an aggressive dog. He just thinks that everyone and every dog wants to meet him. However, I am not about to excuse his behavior.

Actually, we had just discovered a few days before he approached you that he could even jump the fence. We found out that he could clear the fence when I found him on the "wrong" side of the fence with all the gates closed.

Besides the cyclone fence that is already in place, we are having an Invisible Fence installed next week. All three of us (my husband, myself and Harvey) will be trained as to how the fence works and how to make sure Harvey stays put.

Again, my sincere apologies.

Anonymous hit piece defames judge candidate

To the editor and readership-at-large:

ATTENTION: Disregard deceptive mail stamped "Important Tax Information Enclosed"

I am Kenneth Bednark, Sumpter Township Treasurer. It has come to my attention that there is a deceptive letter being circulated via USPS that looks like important tax information but is junk mail designed to impact the 34th District Court judicial race.

The envelope is stamped in bold red letters "Important Tax Information Enclosed", it has no return address, and at first glance is causing confusion. The one-page letter inside has nothing to do with your taxes but rather is an anonymous political hit-piece signed "concern resident" that is poorly scripted and laden with errors.

Similarly, when I ran for treasurer in 2018, an anonymous letter circulated; it attacked my opponents. I didn't know who sent it, it was full of negativity, and I denounced it. In this instance, personal attacks and misleading claims are made against judicial candidate Alexandria Taylor. There are two candidates competing for one seat on the bench, Alexandria Taylor and Lisa Martin.

I met Alexandria during her August primary campaign and recently reached

out to ask her about this matter; all is good. She is personable, honest, and her stellar credentials affirm that Alexandria Taylor is well-qualified to hold the bench at our 34th District Court; the Detroit Bar Association agrees. Learning Alexandria's story, I was moved in my heart and felt the moral need to advocate for her here, as cowardly mud-slinging has no place in our elections. This community knows better than to vote based on a shameful sideshow.

I have never spoken with Lisa Martin but am aware that she and her husband are both current candidates for local public office. She recently sent a letter to my treasurer's office asking for an endorsement. I did not endorse Lisa Martin because I never met her; more importantly, she never made her positions on the law clear to me nor the reason why she wants to be our district judge. As a political figure, giving an endorsement is a big deal; it's way more than asking for a vote.

Any candidate's supporter that remotely thinks playing sleazy politics is a good way to get their candidate elected is delusional. Any judicial candidate that facilitates or turns a blind eye to these tactics is unfit for the bench. Anonymous political hit-pieces need to be denounced. I recommend residents obtain credible candidate information through reliable sources. Let's have a clean judicial race.

Local internet problems could affect students

To the editor:

Don't know if you've heard but AT&T has has internet problems since the 28th of August. Over 500 customers have been suffering the poor service in our area. ETA of the fix is the 11th at 2 p.m., but wouldn't bet money on it since it's the fourth ETA they have given me.

You may want to see if you can speak to someone since the children are using internet instead of in-person learning. Stay safe.

Work continues on Rawsonville Road along Sumpter Township

Starting late Thursday, Sept. 3, the Washtenaw County Road Commission applied a fog seal on Rawsonville Road between Oakville Waltz and Judd.

A fog seal is another thin layer of liquid asphalt placed on top of a recent chip seal that helps seal in the chips and further protect the pavement, said a Nixel alert from Sumpter Township police.

This work will be conducted under lane restrictions, and all vehicles must stay off the fog seal while it cures. Curing time depends on several factors, including weather.

This work was expected to be completed on Tuesday, Sept. 8. However, all dates are tentative and subject to change due to weather conditions.

Once the fog seal has been completed, the Wayne County Road Commission's contractor will return to place permanent pavement markings in the coming weeks, the Nixel alert said.

Bryan Alan Wiese

BRYAN ALAN WIESE

(July 27, 1955 – August 31, 2020)

Bryan Alan Wiese, age 65, long-time Belleville area resident, passed away Monday, August 31, 2020 at Beaumont Hospital, Wayne, MI. He was born July 27, 1955 in Detroit, MI, son of William & Lucille (Dlugokenski) Wiese. He graduated from Belleville High School, class of 1973. He attended Washtenaw Community College and started his business in April 1997 -- Wiese's Lawn Care, Inc. In his younger years Bryan enjoyed going to the sand dunes and snowmobiling. More recently he was a motorcycle enthusiast, who enjoyed restoring cars, time spent in northern Michigan, especially Brevort Lake, and participating in Relay 4 Life events.

Mr. Wiese is survived by his wife Cynthia Renee (Schryer) Wiese; two sons Jeremy (Jami) Wiese of Belleville, MI and Joshua (Samantha) Wiese of Schoolcraft, MI; two step-sons Glenn (Sally) Bates of Boca Raton, Florida and Shane (Bobbie) Bates of Willis, MI; 8 grandchildren: Julianna, Logan, Joslyn, Landon, Nick, Sam, Penny and Lucas; two sisters Marie Harris of Michigan and Darlene Leak of North Carolina; two brothers Richie Wiese of South Lyon, MI and Virgil (Pam) Wiese of Ann Arbor, MI; also numerous nieces, nephews, extended family and friends. Bryan was preceded in death by his parents, also five siblings: Bob, Herman, Bill, Loran and Barbara.

According to his wishes, dignified cremation rites have been accorded. A Gathering will be 1-5 PM Friday, September 11, 2020 with a 5 PM Celebration of Life service at David C. Brown Funeral Home, 460 E. Huron River Dr., Belleville, MI 48111-2764 (734) 697-4500.

Memorial contributions may be made to American Cancer Society and would be greatly appreciated. www.davidcbrownfh.com

Carolyn Veasley

CAROLYN VEASLEY

(March 25, 1950 – August 28, 2020)

Carolyn was born in Sylacauga, Alabama, on March 25, 1950, as the oldest daughter to Elaine & Mary Sue (McKinney) Cook. She retired after working in service as a registered nurse (RN) at Mt. Carmel Hospital in Detroit, which is now known as Sinai Grace. She was the ultimate Caregiver, always offering medical advice and support to anyone she knew. Although she retired from being a nurse, she maintained her State License to practice just to ensure she was up to date on all new medical breakthroughs and technologies. Carolyn was an avid reader who enjoyed keeping up on current events as well as sharing her findings with her family and teaching her great-grandchildren.

Mrs. Veasley is survived by her loving husband of nearly 50 years, Ocie Lee Veasley; daughter Artemesia; son Demetrius (Donyele) Veasley; four grandchildren: Artilisse, Dejah, Lee Ehan and Demi Veasley; two great-grandchildren: Ava & Ashton Veasley; sister Teresa Edmondson; In-Loves: Milton, Glen, James, Dora (Larry), and Carolyn; and a host of nieces, nephews, extended family and friends.

Carolyn passed away at her home on Friday, August 28, 2020. She was truly loved and will be missed dearly.

Carolyn was preceded in death by her parents Elaine & Mary Cook; three brothers: Willie Lane, Harry and Toney Cook; brother-in-law Wallace Edmondson; also, her mother and father "In Love" Edward & Thelma Veasley.

Visitation was 6-8 PM Friday at David C. Brown Funeral Home, 460 E. Huron River Dr., Belleville, MI 48111 (734) 697-4500. Visitation was 10-11 AM Saturday, September 5, 2020 with an 11 AM Funeral Service at New Resurrection Faith Ministries, 18614 Schoolcraft, Detroit, MI. Interment followed at Tyler Street Cemetery in Van Buren Township, MI.

In lieu of flowers, memorial donations may be made to the American Heart Association and would be greatly appreciated by the family. Carolyn was told 14 years ago, after her open-heart surgery, that she would probably have about 8 more years to live. Our Lord blessed her to live beyond what the medical reports showed and lived as a miracle beating all odds. Be a blessing to someone in her honor.

ORPHAN OF THE WEEK DELILAH

Meet **Delilah**, a 1½ year Siberian Husky mix! She's a special girl with lots of potential. **Delilah** came from a rescue in Texas so not much is known of her past. **Delilah** has taken a lot of time to warm up to being here at FMAR but has started to show how truly loving she is. **Delilah's** potential adopters must be understanding of her needs and goals. When first meeting **Delilah**, she may not be comfortable with you trying to pet her or leash her up right away. It is important to read her body language because she is very good at communicating through visual cues. **Delilah** needs an owner with experience in rescue dogs and working with her breed. Although **Delilah** may not warm up to people right away, she seems to love playing with other dogs. For this reason we are highly recommending **Delilah** go into a home with a doggy sibling. During a meet and greet, our hope is that **Delilah** will create a bond with another dog and transfer that connection to her new family. **Delilah** is still learning to socialize with both people and dogs. She has a high chase drive so she needs to have an eye kept on her during playtime in case she needs correcting. We believe that with patience, consistency and a kind leader **Delilah** will thrive in an active home environment. If you are ready to take on this energetic girl call **734-461-9458** to schedule an appointment. **Delilah** is up to date on vaccines, microchipped, heartworm negative and on monthly preventatives for fleas/ticks and heartworm.

Minding Your Business with Bob Mytych

Labor Day Monday was the final day of business for the season at Frosty Boy on Main Street. The line was pretty long last Saturday afternoon when I stopped in. Hopefully, next year will be a better one for owner Mike Foley and family.

The Yankee Air Museum is holding its second of three Open Cockpit Days this Saturday, Sept.

12, from 10 a.m. to 4 p.m. at its museum hangar at Willow Run Airport. Visitors will be able to sit in one of the static aircraft on display with their paid museum ticket entry fee. Visit www.yankeeairmuseum.org and call (734) 483-4030. The museum will also hold this event on Saturday, Oct. 10. There's also a handful of tickets available for Friday Night Flights, set for tomorrow evening Sept. 11 for a socially distant air show featuring warbirds and other vintage aircraft, including the museum's B-17 Flying Fortress, B-25 Mitchell Bomber, C-47, and UH-1 Huey Helicopter, and much more. Tickets are sold only to YAF members and supporters of the museum, however, be sure to keep watch in the skies and over the lake Friday evening. If you are taking in the show, it's limited to 40 cars and the carload of patrons must stay in or near their vehicles. Air show narration will be conducted over an FM radio frequency. There's no static display and there are no tickets available at the gate. Proceeds from the event will go to the upkeep of the flyable aircraft and museum programs. The Thunder Over Michigan Air Show is slated to return next summer and themed around a gathering of B-25 Mitchell Bombers. It's scheduled for Aug. 7-8.

Area restaurants and eateries are preparing for an event titled Restaurant Rally 48111, a 3-day call to action in support of locally owned restaurants. The event is an invitation to patronize at least one local eatery each day over the weekend of Sept. 24-26. Find information including posts from participating restaurants on Facebook and other social media at #restaurantally48111. The event is sponsored in partnership by the Belleville Central Business Community, Belleville Downtown Development Authority, Van Buren Downtown Development Authority, and Sumpter Township.

The Soroptimist International of nearby Flat Rock is holding a Cardio Drumming Class and PKSA Karate, 30-minute self-defense informative session on Saturday, Sept. 19, from 10 a.m. to noon outdoors at the Gibraltar Pavilion at 29340 Gibraltar Road. The drumming class costs \$10 and includes materials and the self-defense class is \$10 per person. For info call Terese Laskey at (734) 778-8281 or email tereselaskey@gmail.com.

This weekend is the city-wide yard sale in Belleville where no garage sale permits are required. There are other sales throughout the area. Be safe out there along the two-lane roads as traffic can get a little busy at the sale locations where shoulder and curbside parking is quite common. Be sure to social distance, too, if you're out and about.

The annual yard sale to benefit the Buster Foundation is happening this weekend, Sept. 11-13, from 9 a.m. to 6 p.m. at 41720 Savage Road. The group is a 501c non-profit organization that rescues and adopts pit bull breed dogs. Masks and social distancing will be in place.

There's only three market days left at the Belleville Farmer's Market on Mondays, from 4 to 7:30 p.m. at the Fourth Street Square. Through the end of September, the market will feature vendors offering vegetables, honey, flowers, baked goods, sweets, crafts, handmade jewelry, fudge, popcorn, home décor, signs, masks, and corn hole sets. Watch for details soon for the upcoming Harvest Market in October.

Wayne County recount staff holds up Aug. 4 ballots for two challengers to see during Friday's official recount in Sumpter Township. At left is challenger Sheena Barnes and at right is Ronald Barrington Robinson. A sneeze guard separates the foursome.

Recount

(continued from page 1)

Township's Aug. 4 primary election was the first business item to be acted on by the Wayne County Board of County Canvassers during a Zoom meeting.

The board voted unanimously to approve the recount after its attorney Janet Anderson-Davis said Po's petition satisfied the legal elements for a recount, noting there was a possibility there may be a change in the count. She said the video he provided was circulated to board of canvassers' members.

Also, she said, Po paid \$2,500 for the recount and meets the statutory requirements.

It was noted the recount will cover precincts 1, 3, and 5 and all six absentee ballot counting board.

Greg Mahar, Wayne County Director

of Elections, said there were 346 votes between Po and the winning incumbent John Morgan, according to the final, official, approved vote tally.

Attorney Anderson-Davis said Po did express a good-faith belief he could win and did allege that in his petition.

Jennifer Redmond, Deputy Director of Wayne County Elections, said the Sumpter Clerk had arranged for the recount to take place in the Sumpter Community Center where there is space to allow challengers and attorneys at each table.

The board of canvassers also approved a request by Shane Anders for a recount of the Republican candidate votes for Wayne County Prosecuting Attorney and Mahar wanted to hold both recounts at the same time in the same place so the board could be present and review them both.

That recount began shortly after 1 p.m. on Friday in Sumpter.

AIR DOCTORS HEATING AND COOLING PRESENTS
AIR DUCT CLEANING
CLEANING ADVANTAGES

Physical Appearance
Dirty diffusers and registers are a key indication that it's time for your ducts to be cleaned.

Better Indoor Air Quality
With the general use of your home, large amounts of pollutants are generated which include dander, dust, and chemicals. Over time, these pollutants are recirculated and allowed to accumulate in your duct system. Most people who get their ducts cleaned note a large improvement in their allergies and other respiratory ailments.

Energy Efficiency
Despite a filter's best efforts ducts still become dirty. This causes your HVAC system to work harder to achieve the desired levels of comfort. According to the U.S. Department of Energy, up to 40% of the energy consumed by an HVACR system is wasted and dirty ducts compound the problem. With your ducts cleaned, you will reduce energy consumption as well as lengthen your equipment's lifespan.

Equipment Longevity
Dirty ductwork can cause your equipment to work harder which will cause a higher equipment failure rate. Cleaning your ductwork, along with general maintenance, will help give your equipment a lifetime of reliability.

Don't Forget About the Dryer
Your dryer's exhaust is full of lint and debris. Keep the life in your appliances by getting the dryer exhaust cleaned, as well. A dirty dryer vent can impact your dryer's performance and reduce its life-span.

Reckless boaters

(continued from page 1)

"You should always operate a watercraft in a careful and cautious manner," said VBT Supervisor Kevin McNamara. "We want residents to know we're cracking down on reckless boater activities because everyone's safety on the lake is our priority."

Lastly, it's important to make sure all boaters become familiar with Michigan's boater safety laws. Any motorized boat operator born after June 30, 1996, is required by law to pass a boater safety course and to carry a boater education card. In addition, boater education is also required for all personal watercraft operators born after Dec. 31, 1978.

"Education is the key to making safe decisions and saving lives," Stanton said. For more information visit vanburen-mi.org or michigan.gov.

Court watching

(continued from page 3)

his defense attorney Elizabeth Young of the Neighborhood Defense Service.

Crane is charged with unlawful imprisonment, domestic violence-third

offense notice, and assault with a dangerous weapon (felonious assault) on Aug. 11 in Sumpter Township.

Personal bond was set at \$5,000 and he is not to return to the site of the incident or to contact the alleged victim. He also must wear a tether, but without time limits and

for location only.

Shannon Marie Johnson

Shannon Marie Johnson, 29, of Van Buren Township has been charged with three counts of assaulting / resisting / obstructing a police officer, one count of aggravated domestic violence, and one count of interfering with a crime report on July 25 in Van Buren Township.

Her probable cause conference had been set for Aug. 26 and then adjourned until Sept. 9. Bond was set at \$10,000/10% and she was not to be released without a tether. She was ordered not to contact the alleged victim or to enter a certain address on McKinley.

Allen Alexander Tabb

Allen Alexander Tabb of Detroit was charged with armed robbery and assault with a dangerous weapon (felonious assault) on Jan. 22 in Van Buren Township. Cash bond was set at \$50,000 and then on April 1 lowered to \$10,000 cash or surety and bond was posted and he was released with a tether.

A live exam has been scheduled for Sept. 9 before Judge Oakley.

Randy Thomas Dixon

Randy Thomas Dixon, 28, of Ypsilanti waived his preliminary exam before Judge Green via Zoom on Sept. 2 and he was bound over to circuit court at the Frank Murphy Hall of Justice for a Sept. 16 arraignment on the information.

He is facing charges of carrying a concealed weapon and driving while license suspended/revoked/denied or let a suspended person operate on Aug. 19 in the city of Belleville.

His court-appointed attorney Michael Carter advised the judge that Dixon had spent two days in custody, so she closed out a civil case for time-served. He is free on \$5,000 personal bond.

Kelly Gene Hamilton

Kelly Gene Hamilton, 49, of Van Buren Township, at his probable cause conference before Judge Green on Sept. 2, was scheduled for an in-person preliminary exam for 12:30 p.m. Sept. 15 on a charge of domestic violence – third offense on Aug. 8 in Van Buren Township.

His court-appointed attorney is David Loeckner and he waived his client's presence at the Zoom conference. Lockner told Judge Green he had written discovery, but no video.

Assistant Wayne County Prosecutor Larry King said Van Buren Township officers do typically wear body cams and that is not mentioned in the report. He said he can ask the officer in charge to check.

"It depends on the IT guy at Van Buren," said King. He said it would take a week to a week and a half to get the video.

Hamilton is free on \$5,000 personal bond with the stipulation he not contact the victim or use any mood-altering substance without a doctor's prescription, as well as he must seek treatment.

Ariell Shanail Smith

Ariell Shanail Smith, 28, of Detroit, will have an in-person preliminary exam at 12:30 p.m., Sept. 28, at 34th District Court to face charges of fleeing police in a vehicle and second-degree retail fraud on April 14, 2018 in Van Buren Township.

She is free on \$5,000 personal bond and her defense attorney is Cait De Mott Grady of the Neighborhood Defender Service.

Active Aero to construct new 23,597-square-foot building at Willow Run

By Rosemary K. Otzman
Independent Editor

"This is a significant development for the airport," said Van Buren Township Public Service Director Matthew Best at the VBT Planning Commission's May 27 virtual Zoom meeting.

Director Best said Active Aero is one of the distributors and sales of airplane parts. He said they are looking at a newer set of planes, which is a look to the future for Willow Run Airport to be a hub for airplane-based businesses.

Best said the township does administrative approval on such projects and Kalitta went through the township process for its building in 2018.

When asked if Active Aero is related to Kalitta, Building and Economic Development Director Dan Power said no, USA Jet is related to Active Aero.

Best said Active Aero moves parts and cargo and Kalitta moves people.

Director Power said Active Aero Group's plan is to build a 23,597-square-foot building on 1.13 acres of property. This includes a 6,352-square-foot office building and a 17,245-square-foot warehouse at 48155 F Street at Willow Run. They plan to have three shifts with 10 people per shift.

It will be located west of Beck Road and north of Tyler near the Yankee Air Museum.

"We review building in the airport as far as complying with the zoning ordinance," said Power, who added it will be using the airport taxiway. The property is zoned AP-Airport District.

Power said the Wayne County Airport Authority has the final say on the site plan and, "We review and issue permits for building."

He said there are 32 parking spaces proposed and it will using a private road network

Power said there will be delay on this project since they are reassessing conditions because of COVID-19 as far as timing and supply streams.

"It will not be built right away, but administrative approval is good for a year," Power said.

U.S. Congresswoman Debbie Dingell visited McBride Middle School on Sept. 2 during the school's distribution of Chromebooks to students who came to pick them up. Principal John Leroy showed her one of the Chromebooks. She stayed about an hour. Dingell's office said Dingell heard from teachers and school officials that are concerned about students not having access to the internet, ensuring proper nutrition, and students keeping up with their school work at home. The visit was set up by the Wayne County RESA.
